## Scholar Spotlights:

### Gabriella Riveros

Viner Scholar Gabriella completed a mission in Chiang Rai Thailand for three weeks with the Mirror Foundation. She went to Thailand from May 20 to June 18 and volunteered during her time there. She taught English. We are so proud of you Gabriella!

### Daniel Bencivenga

Viner Scholar Daniel finished an internship with one of our community partners, Nelson Mullins Broad and Cassel! Here's what he had to say on his experience: "As I approach my senior year, it has been such a blessing in my life and my family's life to have this much-needed financial assistance; my collegiate experience would have been vastly different without it.

The fact that on top of years of financial assistance and mentorship, you all were also able to help me get a paid internship at a large, national law firm is truly incredible and I am eternally grateful. It really proved to me that I want to be a lawyer and I could not have asked for a better summer employer. I am genuinely sad to leave and did not think I'd ever feel that way about a summer internship!"
