GPA Event Recap

Our first GPA event on March 7th was a success! Over 300 people attended and enjoyed an exotic car show, unique art exhibit, exclusive Fashion Show, Live Music, and food and desserts from local businesses and restaurants. Everyone now understands our program's mission, our scope, and the high level of success we're having with our students. In addition, we raised funds for student scholarships and received 15 offers to be new mentors. The four students who gave their stories had a great impact on everyone.

Thank you to our GPA Sponsors

We want to thank our generous sponsors who have graciously contributed their services to make the event special.

We are very proud of Viner Scholar Tatiana Working on the Frontlines Against COVID-19

No Longer a Nursing Student

After working forty hours in the hospital this week, I am finding myself physically and emotionally exhausted. Hospital culture as we knew it to be a couple months ago has completely shifted. A normal day on my unit used to consist of the...

Scholar Spotlight: Marcus Lecky

Viner Scholar Marcus joined the premiere student-run finance organization on campus called the Phoenician Investment Fund. He was selected as one of the three Vice Presidents of Investment Banking for the club from out of 40 applicants. "With my team, I have prepared and presented information about a couple of deals, mergers, and IPOs happening in

the markets. Through the club, I also had the opportunity to visit companies and network with some management teams, like Meketa Investment Group or AK Global,” he said. Marcus also got accepted to the executive board of the club and will be teaching a weekly class on the markets next semester. “I was also able to get an internship with a company called Wall Street Research, and had the opportunity to attend several exhibitions and investment conferences and learn a lot along the way,” he said.
