

Latest Community News of Foundation

We've teamed up with the Florida Prepaid Foundation!

Project STARS Scholarship

Established in 1990, the Stanley Tate Project STARS (Scholarship Tuition for At-Risk Students) Program is Florida Prepaid College Foundation's largest program. Project STARS is a private-to-public scholarship program funded annually by the Florida Legislature and matched dollar-for-dollar by private donations. Scholarship students are awarded in the end of 10th grade.

We currently have 14 students in this program, 5 graduating high school in 2020 and 9 graduating high school in 2021!

First Generation Challenge Match Scholarship

In 2017, the Florida Prepaid College Foundation expanded scholarship offerings to include a program dedicated just for incoming first generation college students who aspire to attend a Florida College or University. Scholarships are awarded to 12th graders. Our Funds are then matched with theirs to cover tuition and fees for 4 year scholarships.

We currently have 12 out of 30 college freshmen Viner Scholars receiving our Florida Prepaid Foundation First Gen Scholarship!

Thank you to our community partner: Ruth and Norman

Rales Jewish Family Services

Ruth and Norman Rales Jewish Family Services

One of our amazing community partners is donating 500 dollars per student to 21 of our freshmen Viner Scholars for 2019.

Scholar Spotlight:

Chloe Dutreuil

Viner Scholar Chloe went on a study abroad trip to Switzerland with her summer class. She is a criminal justice major. Here's what she had to say about her summer abroad: "Having the experience to study and conduct research in a foreign country is one of the greatest academic opportunities available. Studying abroad allows you to experience the different avenues of learning, while being enrich in the culture and history of a country. Visiting Scotland and learning about the differences between their criminal justice system and how it compares to the United States was a interesting and memorable experience that I will forever."
