Congratulations to our December 2023 Graduates!

Sarah Vega

Sarah graduated one semester early this past weekend from FIU. She was a first generation student and received her Bachelor's Degree in Marketing. During her college career, Sarah was able to intern and work in several marketing positions and has a job lined up as a Marketing Manager at a property management company. Sarah says of her experience as a Viner Scholar: "I want to thank the Viner's for believing in me and giving me the opportunity to be able to go to college and graduate completely debt free. I'm so beyond grateful. I'm also very grateful for my Mentor, Celia, who guided me every step of the way and always looked after me when I needed it."

Diego Gama

Diego graduated one semester early from FAU with a Bachelor's

Debora Nelcidor

Debora graduated from USF a year and a half early with a Bachelor's Degree in Health Sciences. She will be working as a nursing assistant while applying to nursing school. When asked about her experience as a Viner Scholar, Debora said: "Viner Scholars and my mentor have helped me in many ways throughout my first degree. I am forever thankful for all that they have done to support me and my academic endeavors!"

Dalina Frederique

Dalina graduated 1 semester early from FIU with a Bachelor's Degree in Accounting. For the past year she has been working as an Audit Intern at Hancock Askew & Co. LLC, and beginning in January will be joining them as a full-time Staff Accountant. Dalina plans on pursuing a CPA license and

Degree in Computer Science. He got a jump start on Grad School at FAU and has already completed 1/3 of his Master's in Computer Science. When asked about his experience as a Viner Scholar, Diego said: "Because of the help that I have received from the Viner Scholarship, the support I got from my family, and the faith that many had in me, I now play a big part in inspiring others to follow dreams and goals in their lives, as I have achieved my own. I 'm grateful for everyone I met during this big journey, for all the lessons learned through good and bad experiences, and for the memories made."

Russell Wolff

Russell graduated one semester early from UF with a Bachelor's Degree in Business Administration, and he will be starting his new job as an Area Manager with Amazon. When asked about his experience as a Viner Scholar, Russell said: "I would not have been able to survive at UF if it weren't for the Viner Scholarship, and I thank you from the bottom of my heart. You really mean it when you say it's a last dollar scholarship, and I could not be more grateful for the assistance when it came to all aspects of college life. Thank you again, and I hope to be able to donate and help other people like me in the future!"

working towards her Master's degree in Accounting in the future. When asked about her experience as a Viner Scholar, Dalina said: "I wanted to express my deepest gratitude for the incredible opportunity the Viner Scholars Community Foundation has provided me. Thanks to your continued support, I was able to pursue my education without any financial burden. Your generosity has made a significant impact on my life, and I am truly thankful for the chance to focus on my studies and future goals."

Fritzly Beaubrun

Fritzly graduated from FAMU with a Bachelor's Degree in Public Relations. He plans on pursuing his Master's while working full-time in communications. When asked about his experience as a Viner Scholar, Fritzly said: "My experience as a Viner was great! Not only did you all help financially, but you gave me a mentor who encouraged me and helped me through hard times and made sure my grades were up to par. As a First Gen college graduate, I am so thankful to have had this foundation!"
