We recently wrapped up our interviews with our applicants for our Viner Scholars Class of 2028. We had a record setting 125 applications this year and interviewed 70 students over a 3 day period. We are currently in the final review stage and will be awarding the incoming class with their scholarships at our award ceremony on May 19, 2024. Thank you to all of our interviewers, we couldn't have done it without you!
